Fabrizio Vatiere

(Naples, 1982)

Artist and photographer, he lives and works in Milan

Member of Op – Fot.

Since 2017 he has developed a research on the dialectic between the artistic practice and the working dimension of the figure of the artist, investigating the meaning of work as a human performance, with a trilogy of performance – happenings of which "Lo scherzo" is the last act, the precedents have been: Dominare spiritualmente il progresso (Nowhere Gallery, Milan 2017), Buchi nell'acqua (Campo 17, Turin, 2018 - realized thanks to the support of Fondazione Sandretto Re Rebaudengo)
